

JOAN

A wide range of mounting options

Secure wall mount

Safe. Secure. Simple. Mounting options.

Joan Secure Wall Mount offers secure mounting options for all Joan devices. The steel VESA bracket creates additional support, provides greater safety and a firm placement.

- ✔ Prevent unauthorized removal.
- ✔ Ideal for heavily painted walls and uneven surfaces.

Can be mounted to:

- drywall with drywall anchor screws (Joan 6, Joan 13),
- glass with the double-sided adhesive pad (Joan 6).

Joan 6 Secure Wall Mount.

Prevent unauthorized removal without distracting from Joan's seamless look and feel. Ideal for plaster walls or uneven surfaces. It is installed in four steps:

- Install drywall anchor screws into the wall or adhere the double-sided adhesive pad on the glass,
- Fasten secure mount to the wall,
- Loosen the locking bracket,
- Insert Joan and tighten the locking bracket.

Joan 13 Secure Wall Mount.

The Joan 13 Secure Wall Mount continues the tradition of effortless Joan installation and can be attached to all surfaces. It is installed in four easy steps:

- Put anchor screws into the wall,
- Install Joan 13 to the steel bracket,
- Mount the device to the wall mount bracket,
- Install security screw.

Desk & Floor stand

Meeting information anywhere. Elegant and secure.

- ✓ Ideal for open spaces with fewer wall mounting options.
- ✓ Place your Joan anywhere around the office.
- ✓ Simple set-up, placement, and use.

Desk Stand for Joan 6 and Joan 13

A portable, lightweight desktop stand for Joan. It's made of a single piece of steel with a fingerprint-resistant and scratch-resistant powder coat. Firm grip on any surface and a backward tilt ensure the perfect viewing experience.

- Attached to Joan with four assembly screws,
- Secure the stand to your desk or move it around freely,
- Compatible with Joan 6 and Joan 13 devices.

Joan 13 Floor Stand

The fully-welded heavy steel stand offers maximum stability and support for the Joan 13. A fingerprint-resistant and scratch-resistant powder coat ensure the endless elegance of your Joan.

- Attach Joan with four assembly screws and prevent unauthorized removal,
- Storage and manage cables in the hidden neck compartment, secured with a neck plate,
- Bolt it down by using the hidden mounting point within the neck.
