

23860

MICROPHONE DESK ARM

This exclusive microphone arm with a 3/8" or 5/8" thread connector in a modern design with a new innovative table clamp for quick and easy positioning of a microphone in the studio or at a multimedia work station. The 6 m long internally guided microphone cable has a 3 pin XLR plug connector. Microphones to max. 1.5 kg are easily held in any position. The clamping width of 0 to 53 mm allows the clamp to be attached to a wide variety of surfaces. The stable metal construction with high quality plastic inserts guarantees secure and strong hold. The cleverly shaped clamping parts allow the clamp to be used on smooth surfaces and round-shaped tubes. The microphone arm can also be fixed with the table flange 23855 available as an optional extra.

Product variant

23860-311-55 - black
